

Louise Cramer Trio

Jazz vocalist Louise Cramer will appear at the Tipp City Mum Festival on Saturday, September 24 from 1:00-2:15 pm. Louise will lead her band through original songs and gems selected from the Great American Songbook. Louise's soulful, sophisticated, swinging style satisfies the listener in many ways. Her music touches hearts, delights ears and taps toes. A frequent listener comment is: "I didn't think I liked Jazz until I heard your music!"

She will be backed by Tim Berens, an orchestral guitarist, arranger and soloist for the Cincinnati Pops Orchestra, as well as an avid jazz guitarist. He has released three jazz CDs as leader and has performed on more than 35 CDs with the Pops and other orchestras. Tim's orchestral work includes national and international tours, appearances on nationally broadcast PBS television programs, and six performances at Carnegie Hall in New York City. On bass will be Doug Richeson, who has worked with many of the world's finest musicians, including Tony Bennett, Phil Collins Big Band, Count Basie Orchestra and Rosemary Clooney.
